

2024 Informational Medicaid/CHIP Periodic Data Matching Notice

When do we send this notice?

In 2024, current Marketplace enrollees get an informational Medicaid/CHIP Periodic Data Matching (PDM) notice like this one if our records show they have both:

- A qualified Marketplace health plan with financial help
- Coverage through Medicaid or the Children's Health Insurance Program (CHIP)

What does the notice tell the consumer?

The notice tells the consumer that people who have coverage through Medicaid or CHIP usually don't qualify for financial help with the cost of their Marketplace plan. It also gives next steps for ending or keeping Marketplace coverage depending on the consumer's situation. The notice includes:

- Names of household members who might have both Marketplace coverage with financial help and Medicaid or CHIP.
- Instructions for how to end Marketplace coverage.
- A list of general resources to help consumers to get additional information and support through the Marketplace.

Members of your household may have both Marketplace and Medicaid or CHIP health coverage.

Application ID: #####

Dear [Name 1]:

Our records show that the following household member(s) may have **both** a Health Insurance Marketplace® health plan with financial help and coverage through [State Medicaid Program Name] (Medicaid) or [State CHIP Program Name] (the Children’s Health Insurance Program or CHIP):

- [Name 1]
- [Name 2]
- [Name 3]
- [Name 4]

In most cases, when someone has coverage through Medicaid or CHIP they don’t qualify for financial help with the cost of their Marketplace plan.

What should I do next?

Marketplace coverage doesn’t end automatically when Medicaid or CHIP coverage starts. If anyone listed above has Marketplace coverage with financial help and Medicaid or CHIP coverage, consider ending their Marketplace coverage. If you don’t, they’ll have to pay full price for their share of the Marketplace plan without the premium tax credit or other cost savings.

Follow the steps below based on your household’s situation:

If you don’t have a Marketplace account, you can create one. You can view and make changes to your Marketplace coverage, even if you didn’t enroll through HealthCare.gov.

If:	You should:	Here's how:
All household members have qualifying Medicaid or CHIP coverage and Marketplace coverage with financial help.	End everyone's Marketplace coverage.	Log into your Marketplace account and select your current application. Select "My plans & programs," where you can end all coverage.
Someone listed has qualifying Medicaid or CHIP coverage and needs to end Marketplace coverage, but other household members want to keep Marketplace coverage.	<p>End Marketplace coverage for each person who has qualifying Medicaid or CHIP coverage. Then, confirm Marketplace enrollment for the other household member(s).</p> <p>(In limited cases, you may have to choose a different Marketplace plan. Any out-of-pocket costs you paid toward your current plan's deductible or out-of-pocket maximum may not transfer to the new plan.)</p>	<p>Log into your Marketplace account and select your current application. Update your application to report a life change. For each person ending coverage, select "Edit" to the question that asks who needs health coverage. Change the person's status to "No."</p> <p>Make sure other information (including household income information) is up to date. Then sign and submit the application. Confirm your plan enrollment for the people keeping Marketplace coverage.</p>
<p>Someone listed above:</p> <ul style="list-style-type: none"> • Isn't sure if they have Medicaid or CHIP. • Is currently going through a Medicaid or CHIP eligibility review. 	Keep Marketplace coverage.	<p>If your state is reviewing your information to decide who in your household still qualifies for Medicaid or CHIP, complete all renewal forms your state sends right away. Be sure to answer all questions your state asks and return the form before the deadline.</p> <p>If you don't know if you have Medicaid or CHIP coverage, contact your state.</p> <ul style="list-style-type: none"> • Medicaid: Visit HealthCare.gov/medicaid-chip/getting-medicaid-chip to find your state's contact information. • CHIP: Visit insurekidsnow.gov, or call 1-877-543-7669.
Someone listed recently found out they're losing (or lost) Medicaid or CHIP.	Keep Marketplace coverage.	You can update your application to tell us when your Medicaid or CHIP coverage ends. You may qualify for a Special Enrollment Period to switch Marketplace plans.

If you're not sure you have a Marketplace account through HealthCare.gov, or you think someone might have enrolled you in Marketplace coverage without your knowledge, call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.
