Subject: Removal of Sexual Orientation and Gender Identity (SOGI) Questions from the Medicare Enrollment Forms

Per Executive Order 14168 (“Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government”), CMS will remove Sexual Orientation and Gender identification questions from Medicare enrollment forms. This announcement will inform Medicare Advantage and Part D plans that these data elements will be removed and while CMS works to update the forms that plans should use the prior forms that do not include these data elements.
