

2015 (old version)	2024 (new version)	Type of Change	Reason for Change	Burden Change
Trial Balance	Trial Balance: added line for "998 costs outside the reimbursement rate" under Part 3-Direct Costs for Non-CCBHC Services	Revision	To allow states to separately report any 998 costs conducted in CCBHCs that are reimbursed outside of this reimbursement rate	None
Anticipated Costs	Anticipated Costs: added line for "998 costs outside the reimbursement rate" under Part 3-Direct Costs for Non-CCBHC Services	Revision	To allow states to separately report any 998 costs conducted in CCBHCs that are reimbursed outside of this reimbursement rate	None
N/A	Trial Balance Crisis	Addition	The Trial Balance Crisis tab was added to reflect new guidance to support the expansion of crisis intervention services and give states and clinics to address special characteristics of services that may affect reimbursement.	Yes
Allocation Descriptions	Allocation Descriptions: prompts to explain methods used for allocating resources to direct or indirect costs were separated about by Part 1A, 1B, 1C, 2A, 2B, 3A/B. Previously, states had just one cell to describe methods for all parts.	Revision	By separating out the prompts to explain methods by each part, states can explain the different methods used for each part. This change was implemented with the understanding that some states apply different methods across each of the parts.	None
Daily Visits	Daily Visits PPS-1	Rename	Renamed the daily visits tab to align with PPS terminology.	None
Monthly Visits	Monthly Visits PPS-2	Rename and Revision	Renamed the monthly visits tab to align with PPS terminology, and reduced the number of available conditions.	None

Type of Change: Rev = Revision, Del = Deletion, Add = Addition, and Red = Redesignation.

CC PPS-2 Rate	CC PPS-2 Rate: removed columns for Certain Conditions 6 Visit Months All 7a; Certain Conditions 6 Visit Months Above the Outlier Threshold 7b; Certain Conditions 7 Visit Months All 8a; Certain Conditions 7 Visit Months Above the Outlier Threshold 8b; Certain Conditions 8 Visit Months All 9a; Certain Conditions 8 Visit Months Above the Outlier Threshold 9b; Certain Conditions 9 Visit Months All 10a; Certain Conditions 9 Visit Months Above the Outlier Threshold 10b	Removal	Reduced the number of available conditions.	None
N/A	Daily Visits PPS-3	Addition	The addition of a Daily Visits PPS-3 tab aligns with the new CCBHC PPS guidance issued in May 2023, which proposed two additional PPS rate options - including PPS-3 (a new daily rate). The new rate options support the expansion of crisis intervention services and give states and clinics flexibility to address special characteristics of these types of services that may affect reimbursement.	Yes

Type of Change: Rev = Revision, Del = Deletion, Add = Addition, and Red = Redesignation.

N/A	Monthly Visits PPS-4	Addition	<p>The addition of a Monthly Visits PPS-4 tab aligns with the new CCBHC PPS guidance issued in May 2023, which proposed two additional PPS rate options - including PPS-4 (a new monthly rate). The new rate options support the expansion of crisis intervention services and give states and clinics flexibility to address special characteristics of these types of services that may affect reimbursement.</p>	Yes
N/A	CCPPS-3 Rate		<p>The addition of a PPS-3 Rate tab aligns with the new CCBHC PPS guidance issued in May 2023, which proposed two additional PPS rate options - including PPS-3 (a new daily rate). The new rate options support the expansion of crisis intervention services and give states and clinics flexibility to address special characteristics of these types of services that may affect reimbursement.</p>	Yes

Type of Change: Rev = Revision, Del = Deletion, Add = Addition, and Red = Redesignation.

N/A	CCPPS-4 Rate		The addition of a PPS-4 Rate tab aligns with the new CCBHC PPS guidance issued in May 2023, which proposed two additional PPS rate options - including PPS-4 (a new monthly rate). The new rate options support the expansion of crisis intervention services and give states and clinics flexibility to address special characteristics of these types of services that may affect reimbursement.
