On or about September 2, 2014, the CMS will reverse the full offset amount made to your April 1, 2014 monthly payment to satisfy overpayments owed to CMS due to the CY 2009–2011 Part D RAC Excluded Provider audits, as follows:

- **For plans that did not appeal the Part D RAC's audit findings**, such reversals will be made only for those that fully deleted Prescription Drug Event (PDE) records prior to the deadlines listed in the Notification of Improper Payment (NIP); and
- **For plans that appealed the Part D RAC's audit findings**, such reversals will be made only for those that fully deleted PDE records prior to the required deadline of June 4, 2014.
