**Title: Distribution of Part D Payment Reconciliation Reports**

**Date: 7/13/07**

**Summary:** As part of the Part D Payment Reconciliation, CMS will distribute reports documenting reconciliation inputs and results to Part D Sponsors. These report formats have been distributed and described in detail on June 7, 2007 in a memorandum with the subject line "Payment Reconciliation System (PRS) Part D Payment Reconciliation Reports." To ensure that reconciliation reports are distributed appropriately, CMS is building a web-enabled application that sponsor representatives will use to view and retrieve reports. In brief, each sponsor will designate an individual authorized to view and retrieve reports for the Sponsor's contracts. This memorandum instructs each sponsor to complete the attached form and return it by July 23, 2007.

**Title: 2006 PDE Submission After the July 30, 2007 Deadline**

**Date: 7/13/07**

**Summary:** The deadline for submitting PDE data for the CY 2006 Part D Payment Reconciliation is July 30, 2007. Although CMS will continue to accept data for CY2006 after July 30 deadline, this data will not be a part of the reconciliation calculations run in August. CMS will not continue to accept P2P PDEs for 2006 beyond the July 30 deadline. Finally, all Part D plans that received state-to-plan files from PCG should submit PDEs for all S2P claims that processed in paid status.
