Subject: REMINDER: Medicare \$2 Drug List Model RFI Comment Period Closes on Monday, December 9th

On October 9th 2024, the CMS Innovation Center released a Medicare \$2 Drug List Model Request for Information (RFI), accompanied with a sample \$2 Drug List, to support continued development of Medicare \$2 Drug List Model and obtain input from a broad range of interested parties. The RFI and a sample \$2 Drug List can be found on the [CMS Model Webpage](#). **This is a reminder that the RFI is open for comment through December 9th and we encourage Part D Sponsors to review and share input through the [online survey](#).**
