

## HPMS E-Mail

**Date:** November 1, 2023

**Subject:** Announcing Technical Assistance Calls for CY 2025 Special Needs Plans Model of Care Submissions

CMS notifies Medicare Advantage organizations of the availability of pre-recorded trainings and upcoming as Technical Assistance calls regarding CY 2025 Special Needs Plans (SNP) Model of Care (MOC) submission and cure process. Please note: All MOC submissions are due to CMS by 8pm EST on February 14, 2024.

First, pre-recorded training sessions are now posted along with the CY 2025 MOC Scoring Guidelines at: [Resources for SNPs](#)

Second, CMS will host three technical assistance (TA) calls. The first two calls: November 28, 2023, and January 11, 2024 will focus on the submission process. CMS will host a final call regarding the MOC Cure process on Tuesday, April 18, 2024.

CMS asks all participants to complete a brief survey at the end of each session to inform future training and respond to frequently asked questions.

Details for all calls are available below:
