

## README file for Payment for Nonexcepted Items and Services by OPPS Status Indicator

In the CY 2017 OPPS/ASC final rule with comment period, CMS issued an interim final rule with comment period to establish payment rates under the Medicare Physician Fee Schedule (MPFS) for nonexcepted items and services. The table titled “Payment for Nonexcepted Items and Services by OPPS Status Indicator” displays the full range of exceptions and adjustments to the otherwise applicable OPPS payment rate that are being adopted as the new MPFS site-of service payment rates in this interim final rule with comment period.
