TEXAS, North Panhandle

Randall County 2 NW Canyon	12	1755CST			0	0	12K		Hail(1.50)
Randall County Canyon	12	1800CST			0	0			Hail(0.75)
Randall County 5 S Canyon	12	1818CST			0	0			Hail(0.75)
Randall County 12 S Canyon	12	1824CST			0	0			Hail(1.00)
Randall County 12 S Canyon	12	1836CST			0	0			Hail(0.75)

Severe thunderstorms during the afternoon and evening hours produced damaging winds and damaging large hail as they moved south across the southern Texas panhandle. The damaging winds blew down power lines just north of the city of Canyon. Damaging large hail caused major roof damage to homes from the western sections of Amarillo south to just north and into the northwest and northern sections of Canyon. Home windows and car windshields were also broken from the large hail. No injuries were reported

Oldham County 12 W Adrian	14	1903CST			0	0			Hail(0.75)
Hartley County 4 W Channing	14	2213CST			0	0			Hail(1.75)
Hartley County 6 W Channing	14 15	2315CST 0245CST			0	0			Flash Flood

Farm to Market Road 767 reported closed due to six to eight inches of water over the roadway.

Hartley County 2 S Hartley	14 15	2315CST 0115CST			0	0			Flash Flood
--------------------------------------	----------	--------------------	--	--	---	---	--	--	--------------------

Farm to Market Road 998 was reported closed due to six to eight inches of water over the roadway

Severe thunderstorms produced large hail over the extreme western and northwestern Texas panhandle during the evening hours. No damage or injuries were reported. Very heavy rainfall from the thunderstorms caused flash flooding over the northwest Texas panhandle during the late evening and early morning hours. Although roads were closed due to the high water...no damage or injuries were reported from the flash flooding

Oldham County Boys Ranch	29	1645CST			0	0			Hail(1.00)
Oldham County 1 N Boys Ranch	29	1723CST			0	0			Hail(0.88)
Oldham County 5 N Adrian	29	1752CST			0	0			Hail(1.00)

Severe thunderstorms developed over the far western sections of the Texas panhandle during the early evening hours producing large hail. No damage or injuries were reported.
