MEMORANDUM FOR: National Weather Service Directives System (NDS) Customers  
FROM:   
Louis W. Uccellini  
Assistant Administrator for Weather Services  
SUBJECT: Rescission of NWS Policy Directive 1-11, Acquisition  
Management

The following document is rescinded from the NDS.

NDS Title: Acquisition Management  
NDS Number: 1-11  
Effective Date: October 1, 2004  
Signature Date: October 1, 2004  
Certified By: J. McNulty Jr.  
Approving Authority: David L. Johnson

Summary: We recommend rescinding the Acquisition Management directive because acquisition processes, management, training, and certification are covered under the NOAA Acquisition Policy overseen by AGO. As a result, the pre-reorg NWS Acquisition directive is not necessary.
