	05/26/15 17:32 CST		0	Source: Broadcast Media

OKC television stations showed footage of a tornado developing briefly to the east of Weatherford and west -southwest of Hydro. A well house was thrown across the road, a heavy cattle feeder was displaced and a picnic table and gas grill were blown off a patio at a house on the Custer -Caddo County line. This tornado moved into Caddo County.
